Ted Curtis Memorial Run this Sunday

This special, annual event is one of the major fund-raising projects of the Geneva Lions Club. More than \$5,500 has been raised in the past six years. Proceeds have been used to purchase a special large-type typewriter for the Batavia School for the Blind and to renovate the dressing rooms at the Smith Opera House.

This year the proceeds will be used by the Lions Club to implement a city-wide audiology testing unit which will allow residents to periodically check their hearing at no cost.

The five-mile run will start promptly at 1 p.m. All participants must report to the Geneva Recreation Complex by 12:45 p.m. for final instructions. Runners will compete in various age groups for males and females.

Power equipment show and sale

You will find a half million dollar outdoor display at the Yates County Fairgrounds in Penn Yan. Equipment from nine well-known power equipment dealers will be on display.

The dealers include DelRossa Ford, Knapp & Sons, Reiners Garage, Finger Lakes Tractor, Nielsen's Sales & Service, C&S Power Equipment, J.S. Blowers, Trombley's Tire and Clarke Equipment. Refreshments will be provided by the Dresden Methodist Church.

The show will be Saturday from 10 a.m. to 7 p.m. and Sunday from 11 a.m. to 4 p.m. It is open to the public and admission is free. This is the first time such a show has been held in this area.
